

START THINGS OFF WITH A NEW SPA EXPERIENCE

JW MARRIOTT LAS VEGAS RESORT & SPA ROLLS OUT
NEW SIGNATURE SPA TREATMENTS FOR 2008

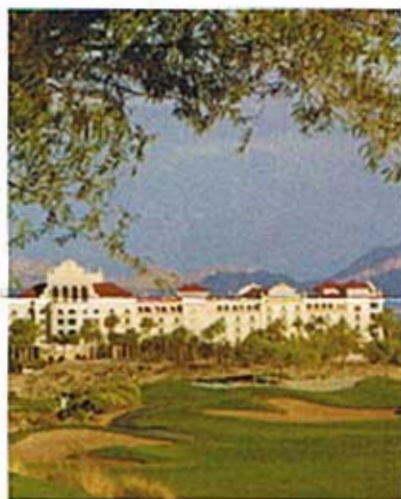

For massage, the keyword is customize. With the Sampler Massage, guests can design a one-of-a-kind massage with the help of their massage therapist. Choosing from a variety of modalities including Deep Tissue, Swedish, Desert Stone, Reflexology, Scalp, Foot and/or Aromatherapy, guests receive a personalized treatment that truly offers the most gratifying relaxation or relief.

IT'S the beginning of a new season and what better way to start things off than with a new spa experience. Aquae Sulis Spa introduces their signature treatments, including the Sampler and Watsu Massages, the Wine Down and Roman Ritual Body Treatments, the Mermaid Vichy Therapy and Vie Facial.

For massage, the keyword is customize. With the Sampler Massage, guests can design a one-of-a-kind massage with the help of their massage therapist. Choosing from a variety of modalities including Deep Tissue, Swedish, Desert Stone, Reflexology, Scalp, Foot and/or Aromatherapy, guests receive a personalized treatment that truly offers the most gratifying relaxation or relief. Spa-goers can opt for a 50 or 80-minute treatment priced at \$145 or \$185.

The Watsu Massage is performed in a private, outdoor covered pool, which is heated to 98 degrees. Supported by water and moved with the rhythm of one's breath, guests experience greater flexibility and freedom. Watsu therapists are trained to gently cradle the body with one arm while using the other to perform massage. Watsu releases stress, opens the heart and quiets the mind. This 60-minute treatment is priced at \$160.

Vino-infused treatments are all the rage today and Aquae Sulis offers the Wine Down Body Treatment, providing 110 minutes of pure bliss. Guests' sense of smell is heightened with this delicious, organic treatment using a red wine reduction sugar scrub with crushed grape seeds to polish the skin. Next, the therapist applies a white wine clay masque followed by an almond biscotti massage. As they say

in the wine business, this treatment sure has "legs" and is priced at \$225.

The all-organic Roman Ritual is adapted from ancient Roman traditions and includes Jupiter's Scrub using cranberry fiber, grains and Amaretto. After a refreshing rinse in the shower, a red body mud is applied with choice of scent including; amber, jasmine or frankincense & myrrh. This 225-minute treatment culminates with an orange blossom massage followed by a scented body butter and body shimmer. Guests take home a hand-cut soap bar in a muslin bag with choice of scent. The Roman Ritual is \$400.

Vichy Shower Therapies are newly introduced at Aquae Sulis Spa. The signature Vichy treatment, The Mermaid is a beautifying therapy utilizing organic properties from the sea to hydrate, detoxify, and tone the skin thereby rejuvenating and revitalizing the body. This 45-minute treatment utilizes a warm tropical rain that includes a body wash, scrub, wrap, moisturizer application and mini facial at a cost of \$150.

And finally, Aquae Sulis Spa's signature facial is the Vie (Vie, meaning life). It is the ultimate anti-aging treatment with massage techniques incorporated from all corners of the globe. Indulge with five patented formulas and silky-smooth products that nourish and stimulate every molecule of the skin. Guests can opt for the 50 or 80-minute Vie Facial, priced at \$155 or \$200. ■
