LAS VEGAS - The JW Marriott Las Vegas Resort & Spa – an oasis of calm just 20 minutes removed from the hustle and bustle of the Las Vegas Strip – is home to a world-class spa. Aquae Sulis, a 40,000-square-foot luxury health center for beauty and total wellness, combines the healing powers of water with the finest of nurturing treatments. It is a peaceful sanctuary staffed by caring professionals where all who seek optimum health will find a wealth of remedies designed to rejuvenate the mind, body and spirit.

With 36 treatment rooms offering a full range of specialty services, including massages, facials, aromatherapy, body wraps and loofah scrubs, Aquae Sulis is dedicated to restoring, renewing and recreating. As part of the spa experience, guests are encouraged to preface their treatments with the Aquae Sulis Ritual, which prepares mind and body for the nurturing that lies ahead. In keeping with the Spa's water theme, The Ritual begins with a series of soothing hot soaks followed by cool plunges in the spa's healing waters.

While basic massages and facials are readily available, the Aquae Sulis Spa features numerous amenities reflecting its water theme. Guests can take advantage of the outdoor hydrotherapy pool, invigorating warm whirlpools, effervescent steam saunas, hydrotherapy bathing chambers, and cascading waterfall showers, all of which are designed to aid relaxation and engender a serene spa state-of-mind.

With the spa's Salon at Aquae Sulis, head to toe pampering puts all who walk through the doors in a spa state-of-mind. Five stylist chairs, five manicure stations, six pedicure chairs along with a make-up station are set in a backdrop of luxury and elegance.

In addition to individual treatments, Aquae Sulis offers a variety of spa packages and certificates that make perfect gifts to celebrate any special event. The current treatment menu can be viewed at www.spasulis.com.

Guests who want to work up a sweat during a stay at the JW Marriott will appreciate the Aquae Sulis Spa cardiovascular and weight training area where all cardio equipment features built-in TV systems. There is also a motion studio and Meditation Garden where guests can perform an individual exercise program or participate in one or more classes. Fitness sessions include Yoga, Pilates, Tai Chi, Power Abs, Spin Class, Tae Kwon Do, Fit Ball and Core Board. Looking for a new fitness experience? Partake in the Belly Dancing class or Hula lesson, both a perfect compliment to the spa's fitness menu.

After a luxurious spa experience, guests can visit the Aquae Sulis Boutique to shop for spa items, workout apparel, aromatherapy candles and lotions, or purchase a spa treatment gift certificate for that cherished someone. Guests can also shop online at www.spasulis.com.

Aquae Sulis Spa workout facilities are open daily from 5:30 am to 8:00 pm. Spa treatments are scheduled from 8:00 am to 6:00 pm daily.
