

**JW MARRIOTT LAS VEGAS RESORT & SPA TAKES THE CAKE
AS THE BEST WEDDING LOCATION IN VEGAS**

Choose from six beautiful venues onsite for both ceremony and reception

LAS VEGAS –Planning a wedding can be a remarkable experience but it can also be overwhelming. Fortunately, the JW Marriott Las Vegas Resort & Spa is here to help. With six gorgeous wedding venues that accommodate both ceremony and reception, JW Marriott Las Vegas can find the perfect fit for any bride and groom.

One of the key elements that makes this off-Strip resort a desirable place to say “I do” is the personal service the bride receives from the moment she checks in at the property until the moment she departs on her honeymoon. The friendly and knowledgeable staff know how to stage an affair to remember, and they are hands-on in all the planning from flower arrangements and makeup artists to music and catering selections.

“The resort’s wedding specialists will plan and co-ordinate every wedding day dream and desire to create an unforgettable event for the Bride and Groom on their most important day,” says Joy Francis, Director of Event Management. With three wedding planners and a coordinator onsite, JW Marriott Las Vegas makes the perfect location to make every bride’s dreams a reality.

Nestled in the foothills of Spring Mountain in the upscale community of Summerlin, the bride never has to pass through a casino on her way to the ceremony at the JW Marriott Las Vegas. Of the six wedding locations, the newest addition to the resort is the Marbella, the premier location for upscale and casual weddings alike. Blessed with a formal entryway, a fireplace, fabric walls, and silk curtains, Marbella is the ideal setting for wedding receptions of up to 180 people, with the adjoining Marbella Patio and its waterfall available for a breathtaking – and convenient! – ceremony to complete an unforgettable nuptial experience.

The Lodge at the Lawn has long been a favorite of the marrying folk. With stone walls, beautiful paneling, and slate floors in the style of the rustic European lodges, the Lodge at the Lawn is comprised of three areas: the patio, the lawn, and the lodge itself. The lawn lends itself perfectly to a small wedding of up to 150 people, flowing down a gentle slope to the patio and into the lodge, where guests can enjoy an intimate reception of up to 50 people indoors, with the two fireplaces, a full bar, and floor-to-ceiling windows looking out onto the beautiful surrounding gardens. Private and inclusive, the Lodge at the Lawn makes for a perfect small wedding location for those interested in natural and rustic beauty.

The Garden Gazebo is the most customizable wedding space available at the JW Marriott Las Vegas. Located at the center of the resort's natural grounds, the Gazebo promotes the idea that weddings can be whatever you want, from the very simple to the most elegant. Capable of hosting ceremonies of up to 300 people, the Gazebo also adapts gracefully to smaller, simpler weddings. With an arbor (fit with an elegant chandelier!) for the ceremony itself and a stone walk for an aisle, the area offers a naturally beautiful yet flexible form which will mold itself to the every need of a bride-to-be.

The Valencia Ballroom and Terrace makes the perfect place for a large and formal wedding, offering a grand outdoor space for the ceremony, and a huge indoor ballroom for the reception. Capable of handling weddings of up to 400 guests, the Terrace boasts some of the best views Las Vegas has to offer. From the ceremonial arbor, the bride and groom will play out their nuptials against a stunning backdrop of the glowing Las Vegas strip in the distance. With a beautiful view of the grounds below, the Terrace is one of the most convenient locations for large weddings, as well as being one of the most beautiful. From the Terrace, guests can conveniently flow into the Valencia Ballroom for a wedding reception of up to 400 guests.

A smaller and more intimate setting, the Parian Room and its Patio make for an excellent option for the bride and groom interested in a combination of natural beauty and privacy. Outside on the lawn, the Parian Patio is surrounded by trees, with a small stream bubbling along behind it. Following an intimate and private ceremony on the Patio, guests can then flow into the elegant Parian Room for a wedding reception of up to 180 people.

Another perfect location for an intimate gathering, our grand Suite 6200 boasts the feel of a penthouse with a central dining area capable of hosting parties up to 60 guests. Featuring a lovely cathedral ceiling, a marble entry lined with pillars, a built-in bar inside a separate room and wood floors, Suite 6200 offers some of the greatest views anyone will get in the city, with a balcony that overlooks the majestic nearby golf courses and Red Rock Mountain.

As an alternate location to the wedding venues, Ceres Restaurant also makes for a great inclusive way to handle both the ceremony and the reception together in one spot. Adjacent to the JW Marriott Las Vegas' premier restaurant, the Ceres Terrace offers a perfect backdrop for your wedding ceremony for up to 100 guests, set among cascading waterfalls and lush vegetation. This location is offered in conjunction with the wedding reception – of up to 180 guests – in Ceres Restaurant, with its panoramic window views of the resort's luscious grounds.

All of these locations exemplify the quality and luxury that the JW Marriott name stands for. The elegant ambiance and attentive personal care of the wedding staff are matched by the exquisite cuisine offered by the resort's catering department. The culinary team will create the perfect meal for a perfect wedding, from the tempting appetizers and main course to the wondrous wedding cake.

In addition, the JW Marriott Resort & Spa boasts one of the best spas in Las Vegas, the Aquae Sulis Spa. There, the Bride and her Court can prepare for the big event with a massage or facial while the Groom and his Best Man play a round of golf. On the 'big day,' the wedding party can enjoy full hair, makeup and nail services in the luxurious Aquae Sulis Salon or in the comfort of their guest room upon request.

For overnight accommodations, the resort offers oversized guestrooms with spectacular views of the grounds, the nearby golf courses, the mountains and The Strip. All guestrooms feature expansive marble bathrooms, Jacuzzi tubs, oversized brass Raindrop showers, walk-in closets, 32" televisions, refrigerators, coffee makers and safes. Upgraded rooms and suites are available and offered to newlyweds at a significant discount.

JW Marriott Las Vegas Resort & Spa features 548 oversized guestrooms set amid 54 acres of lush gardens. Located in Summerlin, 20 minutes northwest of the famous Las Vegas Strip, the resort is close enough to indulge in the city's amenities, but far enough away to enjoy golfing on one of the courses surrounding the resort or explore beautiful Red Rock Canyon. Indulge yourself at JW Marriott's luxurious Aquae Sulis Spa or lounge by the grass-edged pool. Plus, the resort features 12 dining and entertainment options, from casual to elegant. All services and amenities synonymous with JW Marriott are at your fingertips when you visit.
